ARTICLE 1 AGREEMENT

1.1 Parties to Agreement

The Articles and provisions contained within this Agreement constitute a bilateral and binding agreement (“Agreement”) by and between the Board of Education of the Redlands Unified School District (“District”) and the Redlands Education Support Professionals Association/CTA/NEA (“Association”).

1.2 Duration of Agreement

This Agreement shall be effective from July 1, 2022, to June 30, 2025, unless another effective date is specified for particular provisions thereof.

1.3 Reopeners

This Agreement shall be reopened twice during its term for the purpose of renegotiating for the school years 2023-2024 and 2024-2025. During the 2023-2024 and 2024-2025 school years, only Articles Six, Seven, and Appendix A-1, plus three (3) additional articles, each at the individual option of the respective parties, shall be reopened.

1.4 Retroactivity

Any retroactivity (application of terms of this Agreement which antedates ratification by the Board of Education) shall be applied only to those unit members who were employees on paid duty status at the time of ratification by the Board of Education. Paid duty status means those unit members who are employees of the District at the time of ratification by the Board of Education and only for that period of time during which a unit member was in paid duty status and not on an unpaid leave of absence.

ARTICLE 2 RECOGNITION

2.1 Exclusive Representative

Pursuant to the requirements of Government Code Section 3544.1, the District recognizes the Association as the exclusive representative for the unit described as follows: All full-time and regular part-time classified employees of the Redlands Unified School District excluding management, confidential and supervisory employees, substitutes, and short-term employees.

2.2 Positions Included

The representation unit is comprised of the positions listed in Appendix A-2, and excluding all other positions not specifically enumerated.

2.3 Positions Excluded

During the term of this Agreement, newly created positions shall be classified as follows:

2.3.1 Management, supervisory, and confidential positions as designated by the District, shall be excluded from the representation unit.

2.3.2 All newly created classified positions which have not been designated by the District as management, supervisory, or confidential shall be included within the representation unit.

2.3.3 Upon request in writing the District agrees to meet with the Association and attempt to resolve any dispute over the designation of a new position as management, supervisory, or confidential. If agreement cannot be reached within a reasonable time, the District shall proceed to make the designation.

2.3.4 Nothing herein shall prevent the Association from pursuing any otherwise available legal remedies for resolving a dispute which may arise over the exclusion of a new position from the unit, so long as an attempt has first been made to resolve the dispute pursuant to Section 2.3.3 of this Article.

ARTICLE 3
SEVERABILITY

3.1 Declaration of Invalidity

If, during the life of this Agreement, there exists any applicable law or any applicable rule, regulation, or order issued by governmental authority other than that of the District or decision of a court of competent jurisdiction, which shall render any provision of this Agreement invalid, such provision shall be immediately suspended and be of no effect hereunder so long as such law, rule, regulation, or order shall remain in effect. Such invalidation of a part or portion of this Agreement shall not invalidate any remaining portions which shall continue in full force and effect.

3.2 Request to Negotiate

Upon timely request of either the District or Association, the Article affected by an invalidated provision will be renegotiated.

ARTICLE 4 NEGOTIATIONS PROCEDURES

4.1 Negotiations – General

Not later than the day of the first Board of Education meeting in May of the calendar year in which the Agreement expires or reopeners are desired, unless mutually agreed otherwise, the process of meeting and negotiating will be initiated by the submission to the Board of the initial proposal of the Association. Unless mutually agreed otherwise, negotiations shall begin no later than the first day after the second Board of Education meeting of July each year. Meeting and negotiating shall not take place on any proposal until a sufficient time has elapsed after the submission of the proposal to enable the public to become informed and the public has the opportunity to express itself regarding the proposal at a meeting of the Board. After the public has had the opportunity to express itself, the Board shall, at a meeting which is open to the public, adopt its initial proposal. New subjects of meeting and negotiating arising after the presentation of initial proposals shall be made public within twenty-four (24) hours. If a vote is taken on such subject by the Board, the vote thereon by each member voting shall also be made public within twenty-four (24) hours. Such notice may be made in a manner consistent with PERB regulations and Board Policy.

4.2 Outside Consultants

The Exclusive Representative and the Employer may utilize the services of outside consultants to assist in negotiations and will be responsible for their respective consultants' fees and expenses, if any.

4.3 Discharge of Duties

The Board and the Association may discharge their respective duties by means of authorized officers, representatives, or committees.

4.4 Negotiations Release Time

The Association shall have the right to designate five (5) members who shall be given release time to participate in at-the-table negotiations. Up to two hundred (200) hours of release time shall be granted for preparation prior to or following actual negotiation meetings.

4.5 Access to Information

The Board and the Association shall, upon request, furnish each other with single copies of all budgetary and other information, the disclosure of which is not otherwise prohibited by law, relating to the negotiations and maintenance of the Collective Bargaining Agreement. This information shall be limited to documents which are normal work products of the respective parties. Maintenance of the Collective Bargaining Agreement shall be interpreted to mean contract implementation and grievance processing. Upon request for the above information, the requesting party shall specify the reason(s) for such request. Normal work product means documents which are prepared in the normal course of business.

4.6 Tentative Agreements

During negotiations, items tentatively agreed upon shall be reduced to writing and initialed by both parties.

4.7 Final Approval

After the Board and the Association reach tentative agreement on all matters being negotiated, the complete Agreement shall be submitted to the membership of the Association and to the Board respectively for final approval.

4.7.1 Collective Bargaining Agreement Ratification Meeting

The Association may conduct a brief Collective Bargaining Agreement ratification meeting for Transportation Department unit members during the “down” time afforded during the normal workday and eight (8) Association members will be released to conduct this meeting. A second meeting for general membership may be held on the same day no earlier than 4:30 p.m., and unit members who wish to attend shall be released to attend this meeting.

4.8 Impasse

If the Employer and Exclusive Representative are unable to reach agreement on all matters being negotiated and impasse has been determined to exist by PERB, impasse procedures prescribed by law may be invoked by either party. If mutually agreeable, the parties may, in an attempt to resolve their differences, continue to meet and negotiate during the implementation of the impasse procedure. The above shall in no way impair any duty to meet and negotiate as may be prescribed by law.

4.9 Contract Language Clarification

The language of this Agreement shall be subject to clarification at any time by mutual consent of the parties. Any such language clarification shall be reduced to writing and signed by the Employer’s Representative and the Exclusive Representative. Such clarifications shall thereafter be considered part of the Agreement.

ARTICLE 5
ASSOCIATION RIGHTS

5.1 Member Participation in Organization

The District recognizes the right of unit members covered by this Agreement to form, join, and participate in the lawful activities of employee organizations, and the District also recognizes that unit members have the right to refuse to form, join, and participate in employee organization activities.

All Board of Education meeting agendas will be posted on the District website. The Association will be given as much advanced notice of Special Board Meetings via email as possible.

5.8 Association Release Time

5.11 Membership Meetings

Night shift employees shall be permitted to absent themselves from their jobs to attend Association Representative Council and general membership meetings, provided that the attendance is at the employee's option, that the supervisor receives advance notification of not less than one (1) full workday, that the employee signs out upon leaving for the meeting, that the employee signs in upon returning from the meeting, that all time missed for this attendance is made up on the evening of such attendance, that the supervisor receives written certification signed by the Association president of the employee's attendance at the meeting, and that the employee shall not be eligible for any form of premium pay as a result of the extended work hours.

Such statement shall be dated within thirty (30) days of the employee's return to work and shall be submitted to Human Resources prior to returning to work. The District may also require verification of absences for good cause as defined in Article 8.1.4.

- 8.2.4 This donation shall be irrevocable. The unit member shall file an irrevocable "Classified Sick Leave Bank Deposit Form" with the Human Resources Office. A donation to the Sick Leave Bank shall be a general donation from prior years' accumulations, and shall not be donated to a specific unit member for his/her exclusive use.
- 8.2.5 There is no limit to the number of sick leave days a unit member may donate to the Sick Leave Bank, so long as the minimum number of accumulated sick leave days available from the prior years accumulations in the unit member's account does not fall below five (5) days.
- 8.2.6 An additional day of contribution will be required of all participants if the number of hours in the Sick Leave Bank falls below 1,200. Unit members who are drawing from the Sick Leave Bank at the time of the assessment will not be required to contribute to remain eligible to draw from the Sick Leave Bank. If a participant has less than an annual allotment of remaining sick leave days at the time of the assessment, they need not contribute the additional day to remain a participant in the Sick Leave Bank.

- 8.2.9 Bargaining unit members may join the Sick Leave Bank during the annual open enrollment period (October 1 to October 31) only.
- 8.2.10 Cancellation of membership in the Sick Leave Bank occurs automatically whenever a unit member fails to make his/her assessment contribution under Section 8.2.6. The unit member shall not be eligible to draw from the Sick Leave Bank as of the effective date of cancellation. Sick leave previously authorized for contribution to the Sick Leave Bank shall not be returned if the unit member effects cancellation.
- 8.2.11 A unit member wishing to use the Sick Leave Bank shall submit a "Classified Sick Leave Bank Request for Withdrawal Form." This form shall be submitted to the Human Resources Office. The request shall clearly state the details of the catastrophe and the amount of sick leave requested. Appropriate written verification of the catastrophic illness or injury must be included with the request. The unit member should be prepared to provide additional documentation on the nature and severity of the illness or injury, if requested. A Sick Leave Bank Committee shall consider the request of the unit member.

Sick Leave Bank Committee

The committee shall consist of one (1) person selected by the Employer as a recordkeeper and three (3) voting members selected by the Association. The committee may grant, reject, or partially grant a request. Any rejection of a request may be appealed to the RESPA Executive Board for final action and decision. The timelines for filing an appeal shall be the same as found in the initial step of the grievance procedure (Article 19).

- 8.2.12 The maximum number of duty days allowed to be withdrawn by one unit member for a single catastrophic injury/illness shall not exceed fifty (50) days.

- 8.2.15 During January of each year, the Payroll Office shall provide the Association a statement outlining the number of days available in the Sick Leave Bank as of November 1 of that year and the number of days used in the previous fiscal year.
- 8.2.16 Hold Harmless

The Association also agrees that it will not file, on its own behalf or on behalf of any unit member, any grievance, claim or lawsuit of any kind which attempts to challenge in any way the legality or enforcement of this provision.
- 8.2.17 If the Sick Leave Bank is terminated for any reason, the days remaining in the Bank shall be equitably distributed to the then current members of the Bank according to the following distribution formula: Total number of hours divided by current active participants.

Every full-time permanent employee shall be entitled to use six (6) days of accrued sick leave per school year to attend to the illness of a child, parent, or spouse. An employee covered by this Agreement working less than full-time shall be entitled to family illness leave in the same ratio that his/her employment bears to full-time employment.

8.5 Personal Necessity Leave

8.5.1 Every employee covered by this Agreement shall be entitled to use up to eight (8) days per year of paid sick leave for reasons of personal necessity. A unit member shall enter their absence into the District's absence reporting system indicating which authorized reason for leave (as outlined below) is being utilized. 10.13.3 At the discretion of the manager/administrator, any classified employee may be required to use a time clock for the purpose of recording hours of work.

10.14 Attendance and Punctuality

Unit members are expected to report to work whenever scheduled. Repeated and consistent abuse of leave shall be cause for an overall unsatisfactory performance evaluation. An unsatisfactory performance evaluation based on unsatisfactory attendance may be cause for termination of employment.

Unless extreme circumstances beyond the control of the unit members exist, unit members shall notify their supervisor in advance whenever they are unable to report. As much advance notice as possible should be given to permit a replacement to be scheduled. Repeated failure to give proper notification may be grounds for disciplinary action.

10.14.1 An employee must be at his/her work station at the starting hour and at the prescribed time after rest and lunch breaks. Employees who will be delayed more than a few minutes in reporting to work are required to call their supervisor promptly to explain the circumstances.

ARTICLE 11
APPLICATION OF AGREEMENT

11.1 Uniformity

The terms and provisions of this Agreement shall be interpreted and implemented in a uniform and non-discriminatory manner.

11.2 Non-Discrimination

Neither the District nor the Association shall unlawfully discriminate against any unit member with respect to the application of any specific provision contained in the Agreement on the basis of race, color, religion, creed, gender, national origin, age, marital status, pregnancy, disability, sexual orientation, or on the basis of membership or lack of membership in an employee organization, or participation in lawful employee organization activities, or refraining from participating in employee organization activities.

ARTICLE 12

The liability insurance which the District is required to carry by Government Code Sections 989 and 990 and Education Code Section 35208, shall be provided at no cost to the unit member.

12.2 Reimbursement for Loss or Damage

The District shall reimburse unit members for any loss, damage, or destruction of clothing, automobiles, or personal property of the unit member arising from assault and/or battery, theft, or vandalism while on duty at the work site, on the school premises, or on a school-sponsored activity unless such damage is due to negligence by the unit member.

12.2.1 The District shall reimburse unit members upon the filing of a written claim detailing the circumstances and extent of the loss.

12.2.2 As a prerequisite to reimbursement, the unit member shall have filed all required reports with the police and the unit member's own insurance company, and reimbursement hereunder shall be for only the amount of loss left unreimbursed by that insurance company.

12.2.3 Such reimbursement shall not be made for losses of less than twenty-five dollars (\$25.00) aggregate, nor of more than one thousand dollars (\$1,000.00) or to the level of the employee's insurance deductible, whichever is less.

12.3 Personnel Files

Personnel files of all unit members shall be maintained at the District's Central Administrative Office. Files kept by a unit member's supervisor shall not contain permanent material.

12.3.1 Inspection of Files

12.3.1.1 The District shall keep a log indicating the persons who have requested to examine a personnel file as well as the date such request was made. Access to personnel files shall be limited to the involved unit member, to those persons so authorized by the unit member in writing and to those administrators and Human Resources Office staff so authorized by the Superintendent. Board members may request the review of a unit member's file. Such a review must be in connection with a closed session of the entire Board. The contents of all personnel files shall be kept in the strictest confidence.

12.3.1.2 A unit member who wishes to inspect his/her personnel file may do so at a time when s/he is not required to render services to the District, so long as the inspection is scheduled seventy-two (72) hours in advance by giving notice to the Assistant Superintendent, Human Resources/designee, and setting a mutually agreeable time for the inspection.

- 12.3.1.3 Information of a derogatory nature shall not be entered or filed unless and until the unit member is given notice and an opportunity to review and comment thereon. An employee shall have the right to enter, and have attached to any such derogatory statement, his own comments thereon. Such review shall take place during normal business hours, and the employee shall be released from duty for this purpose without salary reduction.
- 12.3.1.4 The person or persons who draft material to be placed in a unit member's personnel file shall sign the material and signify the date on which such material is drafted.
- 12.3.1.5 Upon written authorization by the unit member, an Association representative shall be permitted to examine and/or obtain copies of materials in such unit member's personnel file.

- 13.1.3 Probationary Unit Member – A new unit member who is appointed for a trial period of six (6) months.
- 13.1.4 Permanent Unit Member – A unit member who has met the requirements of a probationary trial period.
- 13.1.5 Days – For purposes of this Article days are days when the employee is scheduled to work.

13.2 Timing

The District management shall evaluate all bargaining unit members no less than once every other work year.

13.2.1 Probationary Unit Members

Probationary unit members will be evaluated within ninety (90) calendar days (based on the employees work year calendar) and again prior to their six (6) month anniversary.

13.2.1.1 A unit member who receives a promotion to a new classification will be evaluated during the first three (3) months and prior to six (6) working months after starting the new assignment as a probationary unit member in that assignment. Performance deficiencies shall be addressed with the unit member prior to the completion of the evaluation. This shall not be interpreted to affect a unit member's permanent status in the District

13.2.1.2 All probationary unit members will be evaluated at least two (2) times before the end of the probationary trial period.

13.2.2 Permanent Unit Members

All permanent unit members will be evaluated using the formal District evaluation document at least every other year, to be completed no later than June 1. Ongoing evaluative communications concerning performance appraisals and annual evaluations are permissible at any time.

13.2.3 Evaluation Document

A copy of the completed evaluation, signed by the evaluatee and evaluator, shall be placed in the unit member's file at the District Office.

13.2.4 Consultation/Forms

The District will not change evaluation forms without first consulting with the Association. The formal evaluation document is attached as Appendix B.

13.3 The Review Process

13.3.1 A unit member who receives an overall unsatisfactory performance evaluation may request that the evaluation be reviewed. Such a request must be made within ten (10) days of the date that the unit member receives the evaluation. The request must be made in writing and state the reasons for the review on each rating.

13.3.2 The reviewer shall investigate and discuss the evaluation with both the unit member and the evaluator.

13.3.3 The reviewer shall attach a statement indicating “agreement” or “disagreement” with the evaluation. Copies will be sent to the unit member, the evaluator, and the Human Resources Office.

13.3.4 If the reviewer disagrees with the evaluation, the rating may be changed. A written statement shall be attached to the evaluation by the reviewer indicating the area(s) of disagreement.

13.3.5 Insofar as the evaluation rating is concerned, the decision of the reviewer to alter or not to alter, shall be conclusive.

13.4 Final Evaluation

An evaluation shall be final and binding and not subject to the grievance procedure. Evaluations are to be objective and based on specific and ascertainable facts. A failure to follow evaluation procedures as set forth in this Article is, however, grievable.

13.5 Assistance Plan

In order to support employees in satisfactorily meeting performance factors, an Assistance Plan shall be developed by the employee’s immediate supervisor, or principal/designee for the purpose of assisting with positive action to correct any cited deficiencies for performance evaluation rated “Less than Satisfactory” or “Unsatisfactory.” The Assistance Plan shall include specific recommendations for improvement.

13.6 Right of Rebuttal

The evaluatee has the right to submit a written reaction or response to the evaluation within fifteen (15) days of the date the unit member received such evaluation. Such response shall become a permanent attachment to the copy of the evaluation in the unit member’s personnel file. If such response is filed within fifteen (15) days of the written evaluation, the evaluation document may be modified or corrected accordingly. This process may alter the final document before it is inserted in the personnel file.

13.7 Association Role

Nothing in this Article will prevent a unit member from receiving advice and counsel from the exclusive bargaining representative concerning evaluation procedures.

13.7.1 A participating consultant for the evaluatee and/or the evaluator may be present during a review of the evaluation.

ARTICLE 14

- 14.1.9 Bargaining Unit Applicant – A permanent classified employee (excludes probationary employees).

14.2 Selection

- 14.2.1 The determination as to whether or not to fill vacancies through reassignment, transfer and/or promotion of currently employed personnel or through hiring and placement of newly hired personnel shall be at the discretion of the District. The final selection of the person to fill a vacancy is within the sole discretion of the District.
- 14.2.2 In the event there are four (4) or more qualified bargaining unit applicants, an interview process will be conducted prior to posting the vacancy outside unless preference is given to the candidate with seniority of District service based on date of hire.
- 14.2.3 If there are not four (4) qualified bargaining unit applicants when the vacancy is posted, a vacancy/testing opportunity will be advertised inside and outside the District. Should qualified bargaining unit applicants emerge, up to eight (8) will be guaranteed an interview opportunity and will compete on an equal basis with all other candidates in the selection process. Once a unit member has passed a District test for a position, the test results will be maintained as qualifying until such time that the test has been changed, updated, or modified.

- 14.2.4 The bargaining unit applicant's performance evaluations will be reviewed with the understanding that a satisfactory job performance rating in one (1) job classification does not guarantee success in a related or unrelated position classification.
- 14.2.5 Selection Criteria
In filling vacancies: skill, knowledge, abilities, work habits, job performance, suitability, and seniority for the position will be the factors considered.
- 14.2.6 Whenever the District solicits outside applicants for a vacancy and less than four (4) bargaining unit applicants are qualified, they will be afforded the option of competing on an equal basis with all other candidates in the selection process. If no outside candidate emerges as the preferred selectee and if there are no substantial distinguishing differences between candidates in relation to the criteria stated in 14.2.5, preference will be given to the candidate with seniority of District service based on date of hire.
- 14.3 Increase in Hours
If a vacancy at a given site is created which could result in an increase in hours for a unit member in the same classification at the same work site, that vacancy shall be posted at that work site prior to being posted for outside applicants. It shall be within the discretion of the District to determine whether or not to fill a vacancy.
- 14.3.1 A qualified applicant for an increase in hours will not be considered if:
- 14.3.1.1 The increase would interfere with the hours of the unit member's current assignment.
 - 14.3.1.2 The increase would result in more than an eight (8)-hour workday.
 - 14.3.1.3 A qualified applicant for a position that would result in an increase in hours or days will not be considered if the increase would necessarily result in overtime as defined in Article 10.3.
- 14.3.2 After posting, the District-established application procedure will apply.
- 14.4 Procedures for Reassignment, Transfer and/or Promotion
Any employee covered by this Agreement shall have the privilege of applying for any vacancy subject to the following conditions:
- 14.4.1 Application for the vacancy – The written request to the Human Resources Office shall be made during the period of the posting of the vacancy. Vacancies shall be posted within the District by 10:00 a.m. via District email for four (4) days prior to the distribution of vacancy notices outside the District. During this period, unit members shall be provided an opportunity to apply for positions in which they have interest and for which they have met the minimum qualifications as stated in the job description.
- 14.4.2 The filling of an application for reassignment, transfer, or promotion is without prejudice to the employee and shall not jeopardize the present assignment. An application may be withdrawn by the employee in writing at any time prior to the official notification of selection.

14.4.3 It shall be within the sole discretion of the District to determine whether or not the vacancy shall be filled. No posted vacancy shall be permanently filled until five (5) workdays after the notice of vacancy has been posted. Notices will be posted within the District for four (4) days, and applications received from bargaining unit applicants and former employees on the thirty-nine (39) month reemployment list by the close of this four (4)-day period will be reviewed prior to the distribution of vacancy notices outside of the District.

14.4.4 Although no one will be denied the opportunity to apply for any vacancy, no applicant shall have the right to demand an interview if it has been determined by a review of the application that the applicant is not qualified and/or does not meet required selection criteria. Administrative consideration shall be given to all employees who submit properly completed applications for transfer to specific vacancies.

14.4.5 Promotion

14.4.5.1 A unit member who is promoted shall serve a trial period of six (6) months and shall be evaluated pursuant to Article 13.2.1.1. Upon successful completion of the trial period, the unit member shall be permanent in the promotional position.

14.4.5.2 The vacancy created by the promotion shall be filled pursuant to Article 14.2, during the trial period of the promotional employee. In the event the promotional unit member does not successfully complete the trial period, the promotional unit member shall be returned to the original classification. If the vacancy was filled by a promotion of an existing unit member, then that unit member shall be returned to his/her original classification. If the vacancy was filled by a new probationary unit member, then the new probationary unit member shall be released from employment.

14.5 Notification

Within twelve (12) days, except for emergency conditions, following completion of the selection process, the Human Resources Office shall notify each applicant, in writing, of the results with respect to the individual concerned.

14.5.1 The unit member who is not selected may request a meeting with Human Resources to review the results of the interview and enable improvement for professional development.

14.6 District Initiated Reassignment/Transfers

14.6.1 Involuntary Reassignment/Transfer

A reassignment or transfer may be made at any time for any of, but not limited to, the following reasons:

14.6.1.1 A change of enrollment or workload necessitating reassignment or transfer of classified staff.

14.6.1.2 Improved efficiency of the District.

14.6.1.3 An opportunity to evaluate an employee in a different school or location.

14.6.1.4 Significant personality conflicts.

14.6.2 Vacancy List

A list of District vacant assignments within the unit member's present position classification will be made available to each employee being considered for an involuntary transfer. An employee may request the positions, in order of preference, to which a transfer is desired.

14.6.3 Transfer Notice

A unit member affected by such transfer shall be given at least ten (10) working days' notice prior to the effective date of the transfer.

14.6.4 Seniority

If there are two (2) employees or more at a site who are to be considered for transfer and all factors are reasonably equal, then the least senior employee based on date of hire with the District at that site shall be selected.

14.7 Procedures for Administrative Transfer and Reassignment

14.7.1 Permanent Transfer and Reassignment

Transfers or reassignments of bargaining unit members may be initiated by the District at any time, except for disciplinary purposes, whenever such transfer or reassignment is for good cause as determined by the District. The unit member to be transferred or reassigned shall be given a notice of no less than three (3) days, unless mutually agreed upon otherwise. A conference will be held between the appropriate management person and the unit member in order to discuss the reason for the transfer or reassignment.

14.7.2 Temporary Transfer and Reassignment

Nothing shall prohibit the District from making temporary transfers or reassignments when the unit member's salary and benefits are not affected. A classified unit member who is assigned to a lower classification for the convenience of the District shall not receive a decrease in salary while serving in such assignment.

14.7.3 Employee Initiated Requests

A unit member with permanent status may request that the District consider an administrative transfer or reassignment within his/her current job classification. If a vacancy exists, the department/site supervisor reserves the right to conduct a department/site interview prior to consideration of the transfer or reassignment request.

14.8 Child Nutrition Services Vacancies

For Child Nutrition Services Assistant I vacancies of under four (4) hours, a bidding process utilizing date of hire, for purposes of priority of selection, shall be implemented. Permanent unit members who are interested in participating in the bidding process, will submit their names through the CNS Letter of Intent process. In the event that two (2) or more unit members have the identical date of hire, the tiebreaker shall be by lot.

ARTICLE 15
ANNUAL CALENDAR

The Association and the District shall mutually agree on the annual calendar for classified unit members which shall be available on the District website. The Association agrees that the student school calendar is not a subject requiring mutual agreement. So long as the unit member is guaranteed to serve as a minimum the same number of workdays established in the previous year, the District reserves the right to determine the starting and ending dates for service according to the needs of the District.

ARTICLE 16
CLASSIFICATION AND RECLASSIFICATION

16.1 Placement in Class

Every bargaining unit position shall be placed in a class. No class or position of unit members shall be modified without prior notification and consultation with the Association. The District shall notify the Association no less than fifteen (15) workdays prior to any modification of class or position.

16.2 New Positions or Classes of Positions

Initial designation of newly created positions as management, confidential, or supervisory shall be made by the District as provided in Article 2.

16.3 Compensation for an Employee Working Out of Classification

16.3.1 Acting Assignment

If a unit member is assigned to substitute temporarily in a position that has a higher rate of pay, and the assignment is for a period of more than five (5) working days within a fifteen (15)-calendar-day period, s/he shall be paid at the range of the position in which s/he is serving commencing on the date the acting assignment began. If the unit member applies for and is selected for the same position, the unit member will receive credit for the time worked toward the six (6)-month promotional probationary period.

16.3.2 Duty Assignment

If a unit member is specifically assigned duties by his/her supervisor which are significantly different from the duties listed on the unit member's classification placement description for a period of more than five (5) working days within a fifteen (15)-calendar-day period, his/her salary shall be adjusted upward for the entire period if such duties are normally performed by unit members in a higher classification.

16.3.3 Salary

Such higher rates shall be equal to Step A of the higher classification, with a minimum increase of one hundred twenty dollars (\$120.00) per month. This amount shall be prorated for employees working less than eight (8) hours per day.

16.3.4 Substitution Rights

All unit members may be approved to substitute (in addition to their regular assignment) in those classifications for which they are qualified, so long as it does not result in overtime. Special consideration will be given to those unit members requesting substitute assignments in their current classification. Bargaining unit members who agree to substitute in Class I, II, or III positions (BP 4220.1) shall receive 25% per hour more than the substitute rates specified in each of the respective positions.

16.4 Reclassification Committee

A Reclassification Committee shall be established which shall include two (2) unit members appointed by the Association and two (2) additional committee members appointed by the Superintendent. Nothing in this Section shall preclude the combination of this committee with other such groups in the District, provided such combination of committees shall occur only with the agreement of all parties concerned.

16.4.1 The purpose of the committee shall be to review requests for reclassification by individual unit members and to inform the Superintendent/designee if it is determined by the committee that the request has merit.

16.4.2 With the recommendation of the committee, these requests will be forwarded to the Board of Education for review.

16.4.3 The decision to reclassify shall be at the sole discretion of the Board of Education.

16.4.4 The reclassification shall not be implemented without prior notification of the Association.

16.5 Reclassification Requests

16.5.1 Where, as a result of the increase in the complexity of the duties being performed by an employee, and where the change in duties is of a permanent nature, the employee may submit a request to have his/her classification reviewed.

16.5.2 Application for a review of a specific position shall be made in writing to the Human Resources Office. Such application shall be made on the appropriate District form. (See Appendix D)

16.5.3 The committee shall meet quarterly, or less often if there is not a need, to review the requests.

16.6 Salary Placement of Reclassified Positions

16.6.1 Upgraded Classification Changes

When a position or class of positions is upgraded, the position or positions shall be placed on the salary schedule in a range which will result in at least a one (1) range increase above the salary of the existing position or positions.

16.6.2 Lateral Classification Changes

In the case of lateral classification changes, the unit member shall remain at his/her current salary range.

16.6.3 Downgraded Classification Changes

In the event a position is downgraded, the unit member shall be "Y"-rated. (Y-rating provides that when a position(s) is downgraded to a lower salary amount, the unit member(s) will continue at his/her former rate until future salary adjustments provide a salary increase to the level of the former salary.)

16.7 Reassignment/Reclassification Notification

Upon each change in classification or reassignment, each affected unit member, upon request, shall be furnished a copy of Section 10.1.

16.8 External Salary Study

Upon request by the Association, the District will initiate an external salary study within thirty (30) calendar days of the request. The District shall notify the Association of the vendor conducting the study and will provide a projection of completion. Salary information for classified unit members will be provided to the Association prior to negotiations on salary. Requests by the Association shall occur no more than once every five (5) years.

ARTICLE 17
VACATION

17.1 Eligibility

All members of the bargaining unit shall earn paid vacation time under this Article. Although vacation is credited for the full fiscal year on July 1 of each year, vacation is actually earned for each month of service during the fiscal year. If vacation is taken in advance of entitlement, a unit member who terminates after using advanced vacation time shall reimburse the District for those days taken over the actual amount earned.

17.1.1 Unit members in a regular work status who work less than eight (8) hours per day will have their vacation time prorated to match the unit member's workday.

* Work year is all calendared workdays plus paid holidays
** Rounded off upward to the nearest quarter day

17.3.7 Twelve Month Unit Members

Beginning July 1 of a given fiscal year, the maximum vacation accrual for twelve (12) month unit members for use and/or payment upon termination shall be twice the annual entitlement.

17.3.7.1 Any use of accumulated vacation shall be in accordance with Article 17.10.

17.5 Vacation Pay Upon Termination

When a unit member terminates for any reason, s/he shall be entitled to all vacation pay earned and accumulated up to and including the effective date of the termination except that employees who have not completed six (6) months of employment in regular status shall not be entitled to such compensation. To the extent possible, employees shall use unused or accrued vacation prior to their last day of employment with the District.

17.6 Vacation Postponement

17.6.1 If a unit member's vacation becomes due during a period when s/he is on leave due to illness or injury, s/he may request that his/her vacation date be changed and the District shall grant such request in accordance with the vacation dates available at that time.

17.6.2 If a unit member is unable to take all or any part of the scheduled vacation due to illness, personal emergency, or a work schedule with the District which precluded such action the amount not taken shall be accumulated for use in the following year.

17.7 Holidays

When an Article 18 holiday falls during the scheduled vacation, the unit member shall be granted a compensating day of vacation.

The supervisor will return all approved calendars no later than the first working day in June. Unless there are extenuating circumstances, any requested changes to the finalized calendar must be submitted by the member a week in advance of the request. All initial and resubmitted calendars shall be subject to approval by the supervisor. If any calendars or date(s) are not approved, the supervisor will discuss the reason with the member prior to returning the calendar. Resubmitted calendars cannot bump previously approved calendars of other bargaining unit members.

17.10.2 The vacation calendar shall include a section to note the number of days that the unit member is planning on accruing in accordance with Article 17.3.

The Association may initiate and submit such a grievance in writing at Level Two. The signatures of the grievants must be present on the grievance form to indicate their election. Any decision rendered shall apply to all parties.
- 19.2.4 Nothing contained herein shall be construed as limiting the right of any grievant to discuss the matter via administrative channels and to have the problem adjusted at any level of the grievance procedure without the intervention of the Association so long as the adjustment is reached prior to arbitration. Unless the grievant objects, the Association may be in attendance at these discussions. The Association shall be notified in writing as to the disposition of the matter and such disposition shall not be inconsistent with the terms of this Agreement. The District shall not agree to a resolution of the grievance until the exclusive representative has received a copy of the grievance and a copy of the proposed resolution and has been given the opportunity to file a response.

19.3 Procedures

19.3.1 Informal Level

Before filing a formal written grievance, the unit member may attempt to resolve the problem through an informal conference with the unit member's appropriate supervisor. Unit members must clearly state to the supervisor that the discussion relates to an informal grievance so that the nature and purpose of the discussion is understood by both parties.

19.3.2 Formal Levels

19.3.2.1 Level One

Within twenty (20) days from the date of the occurrence of the act or omission giving rise to the grievance, the grievant or Association must file in writing with the immediate supervisor a Report of Grievance. This report must describe the event giving rise to the grievance, must list the specific provisions of this Agreement which were allegedly violated, and must state the remedy sought by the grievant. The grievant or Association must sign the Report of Grievance. The grievant's immediate supervisor must respond with a written decision within ten (10) days following the receipt of the grievant's Report of Grievance.

19.3.2.2 Level Two

In the event that the grievance is not considered by the grievant to be satisfactorily resolved at the first level, the grievant may, within ten (10) days following receipt of the Level One reply, transmit to the Assistant Superintendent of Human Resources/designee a copy of the original Report of Grievance and a copy of the Level One reply with the notion that the grievant is appealing to Level Two. Unless mutually agreed otherwise within ten (10) days after receipt of the grievance, the grievance and the Assistant Superintendent/ designee shall meet to discuss the grievance and attempt to arrive at a mutually satisfactory solution. Within ten (10) days after this meeting, the Assistant Superintendent/designee shall respond with a written decision.

19.3.2.3 Level Three – Mediation

If the grievant is not satisfied with the decision at Level Two, the grievant may, within ten (10) days, submit a written request for mediation of the grievance. In this event, the District shall, within five (5) days, submit to the California State Conciliation Service a written request for the immediate services of a mediator.

- a. The function of the mediator shall be to assist the parties to achieve a mutually satisfactory resolution of the grievance. At the onset of the process, the mediator shall schedule a meeting at a mutually agreeable time for the purpose of resolving the matter through mediation.
- b. If a satisfactory resolution of the grievance is achieved by means of this mediation process, both parties to the grievance shall sign a written statement to that effect and thus waive the right of either party to any further appeal of the grievance.
- c. The District and the Association have agreed that this level (Level Three of this Grievance Procedure) may be waived by mutual agreement. If no satisfactory settlement is reached within ten (10) days following the first meeting with the mediator, either party may appeal the grievance to the next level (Level Four).

19.3.2.4 Level Four

If the grievant is not satisfied with the disposition of the grievance at Level Three, the grievant may, within ten (10) days after the mediation process (Level Three) has been exhausted, request that the Association submit the grievance to arbitration.

- a. If the Association decides to submit the grievance to arbitration, it may, within ten (10) days after receipt of the request from the grievant, give written notice to the Superintendent/designee of its intent to submit the grievance to arbitration.
- b. Within ten (10) days of such notice, unless the parties mutually agree on an arbitrator, the Superintendent/designee shall request a list of five (5) arbitrators from the California State Conciliation Service. The parties will meet to alternately strike names until an arbitrator is selected; with the first strike determined by coin toss.
- c. The arbitrator so selected will confer with the representatives of the Superintendent/designee and the Association and will hold hearings promptly and will issue a decision as soon as reasonably practical after the date of the close of the hearing.
- d. The arbitrator's decision will be in writing and will set forth findings of fact, reasoning, and conclusions on the issues submitted.
- e. The arbitrator will be without power or authority to change any of the contract or to make any decision which is violative of the contract.
- f. The decision of the arbitrator will be final and binding on the parties and will be submitted to the District and the Association.
- g. The arbitrator, in rendering his/her opinion, shall not amend, modify, nullify, ignore, nor add to the provisions of this Agreement. His/her authority shall be limited to deciding only the issue or issues presented to him/her in writing by the District and the grievant or his/her representative, and the arbitrator's decision must be based upon his/her interpretation of the meaning or application of the language of this Agreement.
- h. The cost for the services of the arbitrator including per diem expenses, if any, travel, and subsistence expenses will be borne equally by the Board and the Association. Any other costs will be borne by the party incurring them.

19.4 General Provisions

- 19.4.1 No reprisals of any kind will be taken by the Superintendent or any member or representative of the Administration or Board against any persons involved in the processing of a grievance by reason of such participation.

- 19.4.2 Upon request, the parties in interest agree to make available to each other all pertinent information, considered to be a normal work product and not privileged nor confidential under law, in their possession or control and which is relevant to the issues raised by the grievance.
- 19.4.3 An Association representative shall be released from regular assignment should the investigation or processing of a grievance require the release time. The grievant(s) shall be released, if necessary, to attend meetings at various levels of the grievance. Such release time shall be without loss of pay or benefits.
- 19.4.4 All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- 19.4.5 Forms for processing grievances will be prepared jointly by the Superintendent and the Association so as to facilitate operation of the grievance procedure (Appendix C). The costs of preparing such forms shall be borne by the District.
- 19.4.6 Since it is important that grievances be processed as rapidly as possible, the time limits specified at each level should be considered to be maximums and every effort should be made to expedite the process. The time limits may, however, be extended by mutual agreement in writing. In the event of emergency or that parties essential to the processing of the grievance are out of the District, the time lines should be adjusted accordingly.

23.3 Assignments

23.3.1 Full-Time Employment

The maximum number of hours of regular full-time employment of a bus driver is eight (8) hours a day exclusive of lunch and forty (40) hours a week consisting of five (5) consecutive days.

- 23.3.2 Part-Time Employment and Overtime
The District may employ persons for lesser periods of time [less than eight (8) hours per day or five (5) days per week] and may, through authorized administrators, require and authorize bus drivers to work in excess of eight (8) hours in one (1) day and forty (40) hours in one (1) week. A non-unit member shall not be assigned more than thirty (30) hours per week unless unit members are not available to drive.
- 23.3.3 Base Time

All drivers shall re-bid routes two (2) days prior to the start of the new student attendance year. The re-bidding process will allow for the most senior School Bus Driver to bid on all available routes and the re-bidding will continue in seniority order until all routes are filled. All routes will be posted with the route containing the most hours listed first, then all subsequent routes will be listed in descending order of a number of hours. The re-bidding of equipment will first be based on the needs of the routes, and where applicable will be based on the size and capacity of the bus. The number of routes and the bases of routes will be no less than the prior year unless otherwise affected by layoff.

23.7.1 For the purpose of bus driver route bidding or re-bidding as set forth in this Article, seniority for employees who are re-employed within 39 months of a rehire or layoff, shall be calculated from the date of reemployment, not the employee's original date of hire.

23.8 Vacancies

Nothing herein prevents the District from reassigning bus routes and bus numbers as is necessary prior to determination of the existence of a vacancy. A bidding process utilizing date of hire for purposes of priority of selection shall be implemented. In the event that two (2) or more unit members have the identical date of hire, the tiebreaker shall be the greatest number of hours of District service.

23.8.2 Existence of Vacancy

A vacancy shall be filled when the District determines the need to hire a person for a set number of hours. The determination as to whether or not to fill a vacancy and the duties of the person to fill that vacancy are within the discretion of the District.

Each notice of vacancy shall be posted in clear view of all unit members and shall remain posted for at least five (5) days.

23.8.4 Application

23.8.5 Selection

The determination as to whether or not to fill a vacancy shall be at the discretion of the District. In the event that the District's decision is to solicit outside applicants for a vacancy, unit members with application forms on file will be afforded the option of competing on an equal basis with all other candidates in the selection process. In filling vacancies, driving record, skills, knowledge, abilities, work habits, and job performance will be the factors considered. If the above considerations are equal, preference shall be given to the most senior unit member that applied.

All applicants shall be deemed equally qualified to compete for vacancies consistent with the provisions of their California Special Driver Certificate.

- 23.10.2.4 Refusal of a properly assigned trip shall result in the assessment of the trips on the eligibility roster to both the refusing driver and the actual driver. No assessment shall be made to either driver for a trip assigned during the winter and spring recess periods.
- 23.10.2.5 In the event the Transportation Manager is unable to provide at least seventy-two (72) hours' advance notice to the eligible driver, refusal to take the field trip will not cause the hours to be charged to the refusing driver.
- 23.10.2.6 When a field trip exceeds a driver's base, the Transportation Manager may assign the field trip driver's regular runs, if interrupted by the field trip, to a regular, pool, or substitute driver if it best serves the interest of the District.

Thereafter, the District shall meet and negotiate with the Association upon request to consider Association input on the impact on unit members of the subcontracting for services.

ARTICLE 29
COMPLETION OF MEET AND NEGOTIATE DURING TERM

29.1 Complete Understanding

The Association and District acknowledge that during the negotiations which preceded this Agreement, the Association and District had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective negotiations and the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. This Agreement shall constitute the full and complete commitments of both parties. The Association and the District mutually agree that for the life of the Agreement, neither party shall be obligated to negotiate collectively with respect to any subject or matter referred to in, or covered by, this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects are matters that may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated and signed this Agreement, unless there is mutual agreement by both parties to reopen negotiations on those specific matters, except as otherwise specified in this Agreement.

29.2 Negotiations During Term

The above shall not be construed as a waiver by the Association of any right to negotiate over changes during the term of this Agreement on terms and conditions within the scope of representation. Any modification of this Agreement shall be in writing and attached to this Agreement.

29.3 Contract Management

The District and Association will schedule meetings for the purpose of discussing matters of mutual concern as they relate to the implementation of the Agreement and other matters of mutual importance. PUBLIC COMPLAINTS

- 30.1 The Board of Education recognizes the integrity and professionalism of its employees and desires to support their actions in such a manner that employees are freed from unnecessary, spiteful, or negative criticism and complaints.
- 30.2 Every effort should be made to resolve complaints concerning school district employees at the earliest possible stage in accordance with the following procedures:
 - 30.2.1 Complaints concerning District personnel should, whenever possible, be made by the complainant directly to the employee against whom the complaint is lodged.
 - 30.2.2 Complaints not resolved at the informal level, above, shall be directed by the complainant to the employee's administrative supervisor.
 - 30.2.2.1 Any complaint regarding an employee's job performance which may affect the employee's evaluation shall be discussed with the employee as soon as possible.

Adequate notice of complaint involved and the nature of the complaint shall be given to the employee(s) prior to the meeting.
 - 30.2.2.3 If informal discussion between the administrator and complainant fails to bring about resolution of the complaint, the complainant shall be requested to state the complaint in writing. Such written complaint shall be discussed with the involved employee. Failure of the complainant to state the complaint in writing shall be deemed by the District to be withdrawal of the complaint.
 - 30.2.2.4 The administrative supervisor shall appropriately review and analyze the written complaint and submit resolution strategies to the complainant and involved employee.
 - 30.2.3 If the complaint, after review by the administrative supervisor, remains unresolved, the supervisor shall refer the written complaint, together with the supervisor's report and analysis of the situation, to the Superintendent/ designee. The resolution decision of the Superintendent/designee shall be final, unless appealed to the Board of Education.
 - 30.2.4 The Board of Education is not required to consider the appeal. The Superintendent's report shall contain, but not be limited to, the following:
 - 30.2.4.1 The name of each employee involved.

- 30.2.4.2 A brief but specific summary of the nature of the complaint and the facts surrounding it sufficient to inform the Governing Board and the employee(s) as to the precise nature of the complaint and to allow the employee(s) to prepare a defense.
- 30.2.4.3 A true copy of the signed original of the complaint itself.
- 30.2.4.4 A summary of the action taken by the Superintendent in connection with the complaint, with the Superintendent's specific finding that disposition of the case at the Superintendent's level has not been possible, and the reasons therefore.
- 30.2.4.5 The written report of the Superintendent shall be provided to the employee(s) involved at least five (5) working days prior to any hearing held by the Board of Education on such complaint.
- 30.2.5 At the Board's discretion, all parties involved, including the school administration, shall be requested to attend such a hearing, for the purposes of presentation of all available evidence, allowing every opportunity for explanation, and for clarifying the issue.
- 30.2.6 The decision of the Board of Education following the hearing shall be final. Any action of the Board of Education shall not be inconsistent with the terms of the Agreement.
- 30.3 Information received from undisclosed or anonymous complainants shall not adversely affect the performance evaluation of any school district employee and shall not become part of the permanent record of the unit member.
- 30.4 Any involved employee shall be afforded the full right to representation at all stages of this procedure.
- 30.5 Only a failure to follow the specific steps or procedures contained in the Article can be subject upon which a grievance may be filed.
